Package Size	1l	Application Tool	mop
	Refillbottel	Thinner	Do not dilute. Product is ready to use.
	250 ml of Refill makes 4l of CleanFix	Contents	Less than 5% anionic surfactants, less than 5% nonionic surfactants. Further ingredients: perfume oil, dyes, METHYLCHLOROISOTHIAZOLINONE, METHYLISOTHIAZOLINONE
Packing	Box: 12 x 1 l		
	Pallet: 480 x 1 l		
Storage and Transportation	+5°C to + 25°C (41°F to 77°F), storable for 36 months, no hazardous material according to ADR	pH-value	7,7
GISCODE	GU 40		

Information on Use:

Open spray-pistol by turning the jet and moisten the area to be cleaned in sections.

Afterwards wipe over surface with a LOBATool mop. Exchange soiled mop covers or wash them under the tap. Very dirty cloths can also be washed at 60°C in a washing machine.

Using too much water in combination with long contact time might lead to swellings of hardwood- and cork floorings and has to be prevented.
